

# Good Counsel

Elected representatives of Fremantle Council have made a selection of their favourite artworks from the City of Fremantle Art Collection.

On display alongside the paintings and works on paper, each Councillor, in this an election year, share a few words of their heart felt passion and commitment to Fremantle, its special places and unique cultural heritage.

*Good Counsel* includes works by well know Western Australian artists George Haynes, Bevan Honey, Jenny Hopewell, Gina Moore, Henri van Raalte, Guy Grey-Smith and Ken Wadrop.

The City of Fremantle Art Collection boasts over 1100 historical and contemporary artworks many made by artists who live or work in Fremantle. The City actively builds upon this holding by acquiring new works from local and national exhibitions, receives the winning print from the Fremantle Print Award and benefits from generous gifts from artists and donations through the Cultural Gifts Program.

*Good Counsel* is located upstairs at the Fremantle Art Centre.
