

NEW PRINTS

EXHIBITION OF PRINT MEDIA FROM

THE CITY OF FREMANTLE ART COLLECTION

The City of Fremantle Art Collection is largely a collection of works on paper including prints, artist books, photographs, watercolours and drawings.

The Collection boasts over 450 Australian prints spanning both contemporary and historical works and actively builds upon this holding by acquiring new edition prints and artworks using print media from local and national exhibitions.

The prints presented here are drawn from recent acquisitions of the last three years and are indicative of the spread of ideas and variety of techniques employed by printmakers in Australia.

New Prints exhibition can be seen at the Fremantle Arts Centre Collection Gallery and Fremantle City Library.

The City of Fremantle Art Collection has become over the last thirty years a significant cultural resource, a repository for contemporary art made about Fremantle and by artists who live or work in the City. For more information about the City of Fremantle Art Collection pick up a copy of *Revealing* available from this Gallery.
