

# URBAN LIFE

Urban Life is a selection of artworks drawn from the City of Fremantle Art Collection dealing with urban and industrial environments, with particular focus upon Fremantle subjects and works made by Fremantle artists.

This exhibition reflects the scale and quality of traditional art images held in the Collection, a holding which continues to develop through the acquisition of contemporary works with the assistance of the V&C Felstead Bequest.

Urban Life is the result of a partnership between the City of Fremantle and John Curtin College of the Arts involving the installation of artworks at three venues in Fremantle which are complementary with the Visual Arts Program for Year 11 and 12 Students in the first term of 2006.

Selections will be exhibited at the Fremantle Arts Centre Collection Gallery, John Curtin College of the Arts - Curtin Theatre and the City of Fremantle Library.

Public access to Urban Life is possible at the Fremantle Arts Centre and the City Library during business hours.

The component of the exhibition located at John Curtin College of the Arts is available to students at the college only.
